MANAGEMENT DISCUSSION AND ANALYSIS

As part of the Director's Report or as an addition thereto, a Management Discussion and Analysis Report forming part of the Annual Report to the Shareholders includes discussion on the following matters within the limits set by the company's Competitive position:

SOCIO ECONOMIC ENVIRONMENT AND INDUSTRY STRUCTURE & MATERIAL DEVELOPMENTS

In Union Budget 2016 the Government has once again felt necessary to increase excise duty on tobacco products. Excise duty on most tobacco products have been raised by 10-15%. However; beedis have been exempted from it. The continuing discriminatory treatment of cigarettes is a matter of deep concern since bidis has once again been spared with no increase in tax after 2012-13. Industry body, The Tobacco Institute of India (TII), in a release said nearly 70% of tobacco consumption in the country is largely produced in the unorganized sector which does not pay any form of tax either due to exemptions or evasion.

Cigarette taxes on a per kg basis are 47 times higher than the other tobacco products consumed in India. States are increasing Value Added Tax (VAT) rates arbitrarily taking it to as high as 40% against the consensus rate of 12.5%. An ad-valorem levy like VAT, on a highly taxed product like cigarettes, (Excise >100% of value of product) is tax on tax resulting in a huge cascading impact. Some states like West Bengal & Assam imposed VAT on cigarettes at higher specific rates based on length of cigarettes like Excise Duty.

Extremely high and constantly increasing tax rates on Cigarettes provide a profitable opportunity for tax evasion thereby encouraging growth in illegal trade. This also impacted cigarettes manufacturing companies' production capacity and they are bound to lower down the same due to decline in consumption level.

The discriminatory taxation policy, increased harsh pictorial warning and availability of cheaper non duty paid cigarettes, impacting your company's performance. Your company's main focus is the affordable segment of 64 mm but the continuous excise & vat hike is making your company's foothold weak in the segment. Above all there is also a huge competition with the other manufacturers.

However, in the above said adverse scenarios, your company is dedicated to its customers and taking all the available efforts to regain its lost place in the industry by improving its portfolio and technologies.

STRENGTHS & OPPORTUNITIES

India is the world's 2nd largest producer of tobacco with an estimated annual production of 800 million kgs and the 3rd largest producer of Flue-Cured Virginia (FCV) tobacco – a variety used in Cigarettes, with an annual production of around 300 million kgs. India is amongst the top tobacco exporters in the world reflecting the tremendous success that Indian tobacco companies achieved. The growth in exports has been remarkable in the recent years. The global leaf tobacco trade is valued at US\$ 12 billion per annum; India's share of this trade is just around 7% currently. India is poised to increase its share of leaf tobacco trade, particularly as India's tobacco production share in the world is more than 12%.

Tobacco & Tobacco Products are a large contributor to the National exchequer by way of Central Excise and State taxes (VAT, Entry Tax etc). The combined tax revenue collected annually from tobacco products is more than Rs. 29,000 crores annually.

Cigarettes which bear the brunt of taxation in India are the major revenue contributor from the Tobacco sector.

Despite just 11% share of tobacco consumption, legal cigarettes contribute 85% of tax revenue.

Tobacco provides direct and indirect employment to more than 45.7 million people, around 70% of whom are in the agricultural sector. Tobacco is a highly remunerative crop providing economic/social benefits to farmers in the tobacco growing regions.

This shows that India has significant opportunity for cigarette industry to extend and consolidate its position in intentional market due to some recent trend like withdrawal/reduction of agricultural subsidy and escalating costing in the traditional cigarette exporting countries.

It is your Company's continuous endeavor to maintain the taste and preferences of its customers while upgrading and developing new brands. Your company will launch new brands in the 64 mm, 69 mm and 84 mm segments in the near-term in new designs across various places in India.

THREATS, RISKS AND CONCERNS

Extreme Regulation

Despite India being the 2nd largest tobacco producer and a major exporter, tobacco control measures in India have always been equally or more stringent than in many developed countries.

Taxation

As a percentage of per capita GDP, Cigarette taxes (Excise Duty & State Taxes) in India, of the most popular price category, are amongst the highest in the world. Consequently, cigarette prices in India, relative to per capita GDP, are also amongst the highest in the world.

Pictorial/Graphic Warning

The Union Ministry of Health & Family Welfare has mandated an increase in the size of pictorial warnings from the current 40% on front of the packs to 85% on both sides with effect from 1st April 2016. Such an extreme position on warnings overlooking the huge livelihood dependency and enormous socio-economic benefits of Tobacco Industry in India.

Illegal Cigarette Trade & Competition

Extremely high tax rates and constantly increasing tax rates on Cigarettes provide a opportunity for tax evasion by illegal trade in both international smuggled and domestic tax evaded cigarettes which are being sold at lower price than tax paid cigarettes giving a stiff competition to industry.

Moreover, in the current market situation there is a stiff competition from big players with regard to marketing of new brands.

ANNEXURE A TO THE AUDITOR REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

TO THE MEMBERS OF NTC INDUSTRIES LIMITED

We have audited the internal financial controls over financial reporting of **NTC INDUSTRIES LIMITED** as of 31st March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- i) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.

- ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company.
- iii) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- 2.31 A suit has been filed against the company in the year 1999 for recovery of Rs.20,000,000/- along with interest which is still pending before the Hon'ble High Court, Kolkata. The company disputes the claim of the party and as the matter is sub-judice no provision for interest has been made.
- 2.32 In view of the amendment made in the Union Budget 2003 with retrospective effect, the Company is liable to refund excise duty amounting to Rs.49,238,160/- received/ receivable in terms of notification no.32/99 dated 8th July, 1999 issued by the Central Government, on account of Badarpur unit in Assam and interest thereon amounting to Rs.13,51,65,973 (PY Rs 12,56,93,128/-) upto 31st March, 2016. The Company had challenged the amendment in Hon'ble High Court at Guwahati and subsequently the matter was transferred to Hon'ble Supreme Court of India. The Hon'ble Supreme Court vide its order dated 19th September, 2005 has confirmed such retrospective amendment made by the Central Government through its Budget Notification. However, the company was of the view that the amendment was not applicable to it and a clarification / modification petition to that effect was filed and admitted by the Hon'ble Supreme Court. On 31st October, 2007, the Central Excise Department had passed a fresh adjudication order confirming the demand and the company has appealed before the Appellate Tribunal which was brought to the notice of the Hon'ble Supreme Court. The Hon'ble Supreme Court disposed off the petition on 25th March, 2008 with a direction that appeal shall be decided by appellate authority on merits and in accordance with law. The appeal filed before the Tribunal was disposed off without relief. The Company moved to Hon'ble High court at Guwahati but failed to get any relief against the order dated 19.04.2012, the company has again filled the appeal before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India vide order dated 07.02.2014 set aside the order of the Hon'ble High court at Guwahati and requested to deal with the questions of law set aside in its previous order. In terms of this the Hon'ble High Court at Guwahati vide its order dated 19.11.2014 remanded the matter to CESTAT at Kolkata for consideration of the matter in accordance of law. The said appeal is still pending to be decided. The company is confident to get the full relief as the entire benefit was passed on to the consumer and as such the company does not accept any further liability and no provision is considered necessary based on the expert legal advice. Further to this the company has accounted for during financial year 2000-01 a sum of Rs. 40,493,280/- as excise duty refund receivable (Badarpur) and Rs.21,548,160/- towards excise duty payable (Badarpur) in terms of the above mentioned notification.
- 2.33 The company has during the year under review has filed an appeal before the Calcutta High court against the entry tax imposed by state government on the import of input from other states and accordingly not paid the entry tax to the tune of Rs.2,16,626 (P.Y. Rs. 24,757/-) till the date of financial statements. But the same has been provided for in the financial statements.
- 2.34 Contingent Liability in previous year includes Assessed VAT of Rs 110.24 lakhs for the Financial Year 2011-12. Company has preferred appeal before the appellate authority against this order. This demand of VAT is due to wrong treatment of the VAT deducted at source by the government contractee from the transferee company at the time of demerger in 2010-11 and wrongly deposited in the name of the company. The said appeal is decided in favour of Company.
- 2.35 In the preceding financial year a group of minority shareholders had filed a suit against the company in the court of Learned Fourth Civil Judge (Junior Division) at Sealdah, West Bengal. Since the matter is subjudice in the court, any disclosures given at this moment would be prejudicial to the interest of the company and that of the stakeholders.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

ANNEXURE A TO THE AUDITOR REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

TO THE MEMBERS OF NTC INDUSTRIES LIMITED

We have audited the internal financial controls over financial reporting of **NTC INDUSTRIES LIMITED** as of 31st March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- i) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.

- ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company.
- iii) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- C. The financial statements of subsidiaries are consolidated from the date on which the control is transferred to the Parent Company.

I) OTHER SIGNIFICANT ACCOUNTING POLICIES

These are set out under “Significant Accounting Policies” as given in the notes to the accounts in the stand alone financial statements of parent company and its subsidiaries.

A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared under historical cost convention on accrual basis as a going concern and in accordance with the Generally Accepted Accounting Principles (GAAP), the Companies Act, 2013 and in compliance with Companies (Accounting Standard) Rules, 2006, (as amended) as notified u/s 129 of Companies Act, 2013 except those with significant uncertainty. Accounting policies not stated explicitly otherwise are consistent with Generally Accepted Accounting Principles.

As required by Schedule III, the Company has classified assets and liabilities into current and non-current based on the operating cycle. An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The operating cycle has been considered as 12 months.

B. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affects the balances of assets and liabilities and disclosures relating to contingent liabilities as at the Balance Sheet date and amounts of income and expenses during the year. Examples of such estimates include contract costs expected to be incurred to complete construction contracts, provision for doubtful debts, income taxes and future obligations under employee retirement benefit plans. Actual results could differ from those estimates. The effects of adjustment arising from revisions made to the estimates are included in the Statement of Profit and Loss in the year in which such revisions are materialised.

C. REVENUE RECOGNITION

- a) Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. Sales represent invoice value of finished goods sold inclusive of excise duty and VAT/CST but exclude sales returns, claims, rate difference etc.
- b) Revenue from services are recognised on rendering of services to customers except otherwise stated.
- c) Rental income (exclusive of Service Tax) from assets given on operating lease is recognised using straight line method. Contingent rent is recognised as income to reflect systematic allocation of earnings over the lease period. This policy is not applicable for variable rental income based on turnover of the tenant.

Other Income:

- d) Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- e) Dividend income is recognised when the right to receive is established.

D. FIXED ASSETS

- i) Tangible assets, including those given on operating lease, are stated at cost of acquisition inclusive of freight incurred, duties and taxes (net of CENVAT/VAT) and incidental expenses less accumulated depreciation.
- ii) Capital work in progress, cost incurred on construction of fixed assets consists of all directly attributable expenditure.
- iii) Software is capitalised, where it is expected to provide future enduring economic benefits.

E. DEPRECIATION AND AMORTISATION

Depreciation is provided on depreciable value (cost minus residual value) using straight line method in the manner that the assets is depreciated over the useful life stated in "Schedule - II" of Companies Act, 2013.

F. IMPAIRMENT OF ASSETS

An asset is treated as impaired when the carrying cost of the same exceeds its recoverable amount. Impairment is charged to statement of profit and loss in the year in which an asset is identified as impaired. The impairment losses recognised in prior accounting period are reversed if there has been a change in the estimate of the recoverable amount.

G. INVESTMENTS

Investments are bifurcated into noncurrent and current on the basis of intention of holding. Investments that are readily realisable and intended to be held for not more than a year from the date of balance sheet are classified as current investments. All other investments are classified as noncurrent. Current investments are carried at lower of cost or fair market value, determined on an individual investment basis. Noncurrent investments are carried at cost. Provision for diminution in the value of noncurrent investments is made, only if such a diminution is other than temporary.

H. INVENTORIES

- a) Raw materials: At lower of weighted average cost or net realisable value.
- b) Work in progress: At lower of cost or net realisable value.
- c) Finished goods and Stock in trade: At lower of cost or net realisable value.

J. FOREIGN CURRENCY TRANSACTIONS

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the date of the transactions or that approximates the actual rate at the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss for the year.

K. EXCISE DUTY

Excise duty has been accounted for at the time of manufacture of goods, accordingly excise duty on only marketable finished goods lying as stock in factory has been considered for valuation.

L. EMPLOYEE BENEFITS

- a) **Short term employee benefits:** All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and short term compensated absences, the expected cost of ex-gratia, etc are recognised in the period in which the employee renders the related service.
- b) **Post-employment benefits:**
 - i) **Defined Contribution Plan:** Employee benefits in the form of Provident fund, employees state insurance etc. are considered as defined contribution plan and the contributions are charged to the statement of profit and loss for the year when the contributions to the respective funds are due.
 - ii) **Defined Benefit Plan:** Employee benefits in the form of gratuity and leave encashment are considered as defined benefit plan and are provided for on the basis of an independent actuarial valuation, using the projected unit credit method, as at the balance sheet date as per requirements of Accounting Standard- 15 (Revised 2005) on "Employee Benefits".
- c) Actuarial gains/losses, if any, are immediately recognised in the statement of profit and loss.

M. TAXATION

- a) **Current Tax:** Current tax is determined as the amount of tax payable in respect of taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternative Tax credit available under section 115JB of the Income Tax Act, 1961 are accounted in the year in which the benefits are claimed.
- b) **Deferred Tax:** Deferred tax is recognised subject to consideration of prudence on the basis of timing differences being the difference between taxable income and accounting income that originate in one period and is capable of reversal in one or more subsequent periods using the tax rates and laws that have been enacted or substantially enacted as at the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent there is reasonable certainty that the asset will be realised in future.

N. PROVISIONS/CONTINGENCIES

- i. The Company creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
- ii. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

O. CONTINGENT LIABILITY

Liabilities which are contingent in nature are not provided for in the accounts and the same are separately disclosed by way of notes to account.

P. EARNINGS PER SHARE

Earnings per Share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Q. PRIOR PERIOD ADJUSTMENTS

Adjustment of identifiable items of income and expenditure pertaining to prior period are accounted for as prior period adjustments.

- 2.31 In terms of confirmation of sale of assets of New Tobacco Co. Ltd. (In Liquidation) in favour of the Company vide order dated 19th April, 2006 of Calcutta High Court, . Conveyance deed of Siliguri Property is yet to be executed for transfer of title in favour of the Company.
- 2.32 A suit has been filed against the company in the year 1999 for recovery of Rs.20,000,000/- along with interest which is still pending before the Hon'ble High Court, Kolkata. The company disputes the claim of the party and as the matter is sub-judice no provision for interest has been made.
- 2.33 In view of the amendment made in the Union Budget 2003 with retrospective effect, the Company is liable to refund excise duty amounting to Rs. 49,238,160/- received/ receivable in terms of notification no.32/99 dated 8th July, 1999 issued by the Central Government, on account of Badarpur unit in Assam and interest thereon amounting to Rs 13,51,65,973 (PY Rs 12,56,93,128/-) upto 31st March, 2016. The Company had challenged the amendment in Hon'ble High Court at Guwahati and subsequently the matter was transferred to Hon'ble Supreme Court of India. The Hon'ble Supreme Court vide its order dated 19th September, 2005 has confirmed such retrospective amendment made by the Central Government through its Budget Notification. However, the company was of the view that the

amendment was not applicable to it and a clarification / modification petition to that effect was filed and admitted by the Hon'ble Supreme Court. On 31st October, 2007, the Central Excise Department had passed a fresh adjudication order confirming the demand and the company has appealed before the Appellate Tribunal which was brought to the notice of the Hon'ble Supreme Court. The Hon'ble Supreme Court disposed off the petition on 25th March, 2008 with a direction that appeal shall be decided by appellate authority on merits and in accordance with law. The appeal filed before the Tribunal was disposed off without relief. The Company moved to Hon'ble High court at Guwahati but failed to get any relief against the order dated 19.04.2012, the company has again filled the appeal before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India vide order dated 07.02.2014 set aside the order of the Hon'ble High court at Guwahati and requested to deal with the questions of law set aside in its previous order. In terms of this the hon'ble High Court at Guwahati vide its order dated 19.11.2014 remanded the matter to CESTAT at Kolkata for consideration of the matter in accordance of law. The said appeal is still pending to be decided. The company is confident to get the full relief as the entire benefit was passed on to the consumer and as such the company does not accept any further liability and no provision is considered necessary based on the expert legal advice. Further to this the company has accounted for during financial year 2000-01 a sum of Rs. 40,493,280/- as excise duty refund receivable (Badarpur) and Rs.21,548,160/- towards excise duty payable (Badarpur) in terms of the above mentioned notification.

- 2.34 The company has during the year under review has filed an appeal before the Calcutta High court against the entry tax imposed by state government on the import of input from other states and accordingly not paid the entry tax to the tune of Rs.2,16,626 (P.Y. Rs. 24,757/-) till the date of financial statements. But the same has been provided for in the financial statements.
- 2.35 Contingent Liability in previous year includes Assessed VAT of Rs 110.24 lakhs for the Financial Year 2011-12. Company has preferred appeal before the appellate authority against this order. This demand of VAT is due to wrong treatment of the VAT deducted at source by the government contractee from the transferee company at the time of demerger in 2010-11 and wrongly deposited in the name of the company. The said appeal is decided in favour of Company.
- 2.36 In the preceding financial year a group of minority shareholders had filed a suit against the company in the court of Learned Fourth Civil Judge (Junior Division) at Sealdah, West Bengal. Since the matter is subjudice in the court, any disclosures given at this moment would be prejudicial to the interest of the company and that of the stakeholders.
